NATIONAL SERVICE SCHEME, UNIT – I

NSS Special Camp at College Adopted village

Mopidi

URAVAKONDA MANDAL, ANANTAPUR

From 25-07-2019 To 31-07-2019

Report

Dr. B.Venkataramudu M.Sc.,Ph.D.,
Programme Officer

NSS P.O Unit-I
Lecturer in Statistics

Introduction, Aims and Objectives

Mahatma Gandhi, the Father of our Nation, recognized that the country could not progress in a desired direction unless the student, youth and teachers were motivated to work for the uplift of the village community. This idea of the Mahatma necessitated providing an opportunity to the student youth and the teacher to work with the people in the village and slums. It is felt that their interaction with the common villagers and slum dwellers will expose them to the realities of life and bring about a positive change in their personality.

Thus, National Service Scheme is a tool to mould students to be good and responsible citizens. Special Camps for seven days in rural areas are aimed at achieving its aim, **“Personality Development through Community Service”**

Healthy Youth for Healthy India

In this context, a pre-camp survey was conducted in Mopidi village by Dr. B.Venkata Ramudu, NSS P.O.Unit I and NSS volunteers on 24-07-2019. After consulting Sri Sheshagiri Rao, Head Master, ZP High School and the authorities of the village. It was decided to conduct a Free Dental Camp and a Free General Health Camp for villagers. As a part of Sramadaan programme, it was decided to remove thorny bushes on both sides of village roads, Laying the roads, Removing the mud on the road, organize Swachh Bharat Programmes and awareness Programmes on child marriages, HIV/AIDS, Seasonal diseases and on Social issues. The village is at a distance of 6 kms away from the Uravakonda Mandal with all facilities for our stay during the camp.

Keeping the villagers' prior needs , their assurance and cooperation in executing the programme and facilities for our stay in the village, The Unit has

decided to conduct a seven day special camping programme at Mopidi village, Uravakonda mandal, Anantapur district.

ABOUT MOPIDI VILLAGE

According to Census 2011 information the location code or village code of Mopidi village is 594893. Mopidi village is located in Uravakonda mandal of Anantapur district in Andhra Pradesh, India. It is situated 6km away from sub-district headquarter Uravakonda (tehsildar office) and 50km away from district headquarter Anantapur. As per 2009 stats, Mopidi village is also a gram panchayat.

The total geographical area of village is 1380 hectares. Mopidi has a total population of 2,462 peoples, out of which male population is 1,222 while female population is 1,240. Literacy rate of mopidi village is 51.42% out of which 60.31% males and 42.66% females are literate. There are about 611 houses in mopidi village. Pincode of mopidi village locality is 515812.

Programme for Special Camp

The proposal to conduct the special camp with proposed project work, various health and awareness programmes was submitted to the authorities of NSS, S.K.University, Anantapur for sanction of permission to conduct the special camp at Mopidi village. We are very much thankful to our NSS Coordinator Prof. C.H.Varadha charyulu, for granting the permission and also for sanctioning the necessary funds to conduct the camp. It was decided to conduct the camp from 25-07-2019 to 31-7-2019. (50+50) volunteers (Unit I & II) participated in the camp. The schedule for the camp is furnished below.

Note : Every day evening from 5.30 P.M. to 9.30 P.M. Cultural programmes and Review of Day's Work

Day-1 (25-07-2022)

All the volunteers along with their programme officers Dr. B.Venkata Ramudu and Sri N.A,Althaf reached the camp site by 9.00 A.M. on 25-07-2019. The necessary arrangements were made for organizing the inauguration of the camp. Dr.G.Rama Krishna, Principal, Govt. Degree College, was presided over the inaugural session of the camp. Village President Sri. Yerri Swamy ,Temple President Sri.Nettam Siddappa, Head Master, ZP High School, Mopidi Sri.Sheshagiri Rao, and other members of the temple were attended the function. Addressing the volunteers College Principal Dr.G.Ramakrishna said that the volunteers should inculcate the habit of social service and responsibility. Further he said “as Community Service is one of the components in the new education policy every volunteer should contribute service to the society”. Explaining the uses of NSS , he motivated the volunteers so that they involve in various activities. Later on ,village president Sri Yerri Swamy and Temple committee members were delivered their speech and explained the requirements of the villagers. Further, they extended their support to organize the camp successfully over the duration of the camp.

Different programmes were executed during these 7 day period and were divided into two groups Project work & Awareness programmes. In consultation with villagers, we conducted Sramadaan at various places in and around the village.

Volunteers were loading the wastage on to the tractor

Day-2 (26-07-2022)

On 26-07-2022 All the volunteers assembled at Sri Thatha Sanjappa temple at 9.30 am and divided into four groups with a team leader for each group. Each group was named by the name of great freedom fighter. Particularly, the first, second, third and fourth group was named as Mahatma Gandhi, Sardhar Vallabai Patel, Subash Chandra Bose and Javaharlal Nehru respectively. This is all just for creating a spirit of struggle and hard work among the volunteers and recollecting the contributions rendered by the great leaders on the eve of Azadi ka Amrit Mahotsv 2022. All the volunteers performed their intended work for the community with a great spirit as if freedom fighters fought for the Nation. Sri Sanjappa thatha temple premises and roads in the slum area were cleaned just by doing Sramadaan.

Sramadaan:

This programme was taken up on a large scale. Volunteers carried out the removal of thorny bushes around Sri. Sri. Sri. Thatha Sanjappa Temple. The premise of the Temple was cleaned and 20 to 25 saplings planted around the Temple. Further, thorny bushes around water tank were removed so that villagers can take water easily at any time. The clay on the cement road was removed nearly 100 meters distance, leveled with a tractor load of red soil besides Panchyath Building. Removing the big boulders around the temple and the road in the entrance of the village was also repaired removing the thorny bushes. In evening session, the villagers were invited to the awareness programme which is to be organized on next day of the camp.
